Good evening, Chris --

This may be the *shortest* e-mail I've ever sent out (APPLAUSE meter!)

I just wanted to bring **[THIS BREAKING NEWS](#)** to your attention: the *second* major purchase by the world's largest miner, BHP Billiton, into the world-class Cascabel deposit owned by **SolGold, plc** and **Cornerstone Capital Resources**.

BHP intends to buy directly from SOLG another 100 million shares in the company, reportedly at a 36 % premium to today's close.

I suspect we'll see a renewed surge for both SOLG and CGP in the morning. Enjoy!

All the best,

Chris Temple -- Editor/Publisher
